.....

written by \_\_\_\_\_ with help from Saymoukda D. Vongsay  
1

My name is \_\_\_\_\_ and I live in a \_\_\_\_\_ town named  
1 2 3  
\_\_\_\_\_. Our town is known for \_\_\_\_\_ and we hold a festival to celebrate it  
4 5  
every year. But that's not the story. I want to tell you about the time that \_\_\_\_\_ rolled into  
6  
town and \_\_\_\_\_ all of the \_\_\_\_\_ on main street! \_\_\_\_\_ didn't  
7 8 6  
stop there! They also hid the \_\_\_\_\_ somewhere inside the \_\_\_\_\_ !  
9 10  
No one knew what to do. It was my chance to help and become a hero.

My superhero name is \_\_\_\_\_ and my special powers include \_\_\_\_\_ and  
11 12  
\_\_\_\_\_. I know, I know, I know, people act all \_\_\_\_\_ when I tell them that.  
13 14

I mean, who would have thought that your neighborhood \_\_\_\_\_<sup>15</sup> is also the cape-wearing  
\_\_\_\_\_?<sup>11</sup>!! The townspeople needed their \_\_\_\_\_<sup>9</sup> back and for me to banish  
\_\_\_\_\_<sup>6</sup> once and for all. And I knew exactly what to do! After some poking around, I found  
out that \_\_\_\_\_<sup>6</sup> had a weakness to \_\_\_\_\_<sup>16</sup>!

So, I lured \_\_\_\_\_<sup>6</sup> out of hiding by singing the song! Have you heard it? It goes something like this:

 \_\_\_\_\_

 \_\_\_\_\_

[write the first two lines of the worst song in the world]

I knew that once I got \_\_\_\_\_<sup>6</sup> under my melodic spell, they would reveal all of the world's  
answers to me, like to the question, \_\_\_\_\_<sup>17</sup> and where they hid the  
\_\_\_\_\_<sup>9</sup>. At exactly \_\_\_\_\_<sup>18</sup> I went to the center of town and I started to sing:

 \_\_\_\_\_

 \_\_\_\_\_

[sing part of the song]

The creature came out and began to sway back and forth and up and down and this way and then that  
way and I knew I had it under my melodic spell. Then I asked, "Hey, \_\_\_\_\_<sup>6</sup>, can we have our  
\_\_\_\_\_<sup>9</sup> back?" And the creature said, " \_\_\_\_\_<sup>19</sup>."

Which made complete and total sense at the time but looking back on it, I have no idea what that meant. I  
didn't have to use my \_\_\_\_\_<sup>12</sup> or my \_\_\_\_\_<sup>13</sup> because \_\_\_\_\_<sup>6</sup> was  
very nice about returning our \_\_\_\_\_<sup>9</sup> and replacing all of the \_\_\_\_\_<sup>8</sup> that they  
\_\_\_\_\_<sup>7</sup>. Everyone forgave \_\_\_\_\_<sup>6</sup> and even eventually elected them as the  
town's \_\_\_\_\_<sup>20</sup>!

To be continued...
